

MIHA State Championship Online Streaming Sponsorship

The MIHA State Championship is the culmination of the High School Equestrian Team season. 40 Teams from schools across the State of Michigan, come together for a 4-day competition to award the state finalists.

MIHA will again be streaming the Championship live over the internet in its entirety. www.miha.org will broadcast footage from both competition arenas simultaneously so that the public, friends, family, and schools can watch and enjoy this final competition from anywhere!

To accomplish this project, MIHA is looking for sponsors to donate toward the cost of the online streaming technology. As a sponsor, your organization's logo will be proudly displayed on the streaming page with a link to your organization's website or Facebook page.

Last year, the video streaming was viewed more than 40,000 times by more than 2900 unique visitors!

The State Championship runs 2 rings simultaneously. You can watch either ring using the links below. The video streaming is available on Windows, Mac OSX, iPhones, iPads, Android Phones, and Android Tablets.

If you would like to see the current placings for the teams, the scores are online [here](#)

There are 3 Sponsorship Levels Available:

Levels 1 and 2 will have sponsors promoted on the homepage where the day's schedule is displayed and viewers can select the link to the arena they wish to view. Level 3 will have the sponsor promoted on the same page as the actual video as it plays.

Level 1 – Daily sponsor - \$150 (per day)

Your logo and website link will be displayed on the video streaming website's homepage for one day of competition. You may choose to sponsor at this level more than once and have your logo displayed for multiple days of the competition.

Level 2 – Show Sponsor - \$500

Your logo and website link will be displayed on the video streaming website's homepage for the entire competition. This level represents a savings of \$100 off the price of 4 individual daily sponsorships.

Level 3 – Arena Sponsor - \$1500

As an arena sponsor, your organization will have exclusive space for your logo and website link as they will be displayed alongside the video for one of the arena video streams. Viewers will see your logo as they watch all the competition for that arena for the entire competition. Please note: this level of sponsorship has extremely limited availability. There are only two spots open for the entire competition. Please lock in your sponsorship early to guarantee your spot.

To become an official sponsor please fill out the sponsorship form on the next page.

Please make a check payable to **MIHA** for the full amount of your sponsorship.

The Michigan Interscholastic Horsemanship Association, MIHA, is the association that governs and runs all High School and Junior High School Equestrian Team events in the State of Michigan. The purpose of this organization is to promote continuous growth in programs fostering horsemanship education, sponsor activities to encourage interscholastic participation and to have cooperative adult-supervised leadership for all students in grades 6 through 12 who are desirous to participate regardless of race, creed or national origin and meet the Association rules and regulations. Through Association leadership and coaching, it is our goal that the student members derive whatever enjoyment and benefits possible as a result of participating as riders in horsemanship education programs and interscholastic competition.
