**TENTATIVE SHOW SCHEDULE:** We say tentative because it is subject to change at any moment. Our plan is to start the show at 8:00 a.m. and continue through the classes listed for that day. However, certain factors may speed up or slow down the start times for some of the classes. For example, if the show runs faster than expected, then the classes will start earlier than listed on the tentative show schedule. Likewise, if the show runs slower than expected, then the classes will start later than listed on the tentative show schedule. Other conditions may speed up, slow down, or alter our schedule as well. Please keep track of how the show is running, listen for announced schedule changes or splits, and be flexible. Your help and understanding will keep your show running more smoothly. The announcers are a convenience not a requirement. Pay attention to the class order and classes prior to yours.
