This program is designed to allow all participants the opportunity to purchase the items and sizes that they desire without the chance of an item being "sold out" before they arrive.

Because of this opportunity the following conditions will be strictly enforced:

**There will be no changes of any kind made to team orders once they are placed**

**There will be no changes of any kind made to team orders upon pick up in Midland.**

**Only authorized representatives of your team may pick up team orders and one payment must be made at that time for the entire order. Individual orders will not be distributed.**

Exchanges will be made on an individual basis after team orders have been distributed and will be based on available inventory at that time. There will be no refunds and all pre order sales will be final.

There will also be NO returns accepted for double purchasing (for example: a parent buys their daughter a shirt not realizing they already have one ordered as part of their team order) so please make sure that all team members, parents, and fans are aware of what has been ordered and for who!

There will be a few additional "MIHA Championship" logo items available for individual purchase that are not listed on the pre-order form and all items will be available on line at [www.lighthousesportswear.com](http://www.lighthousesportswear.com) after the event.

You may also have your pre-ordered items personalized prior to pick up by filling out the attached personalization sheet. Personalization sheets **MUST** be typed to avoid misspellings and personalized items **MAY NOT** be exchanged or returned. The cost for personalization is \$8 **per location, per garment**. Each location may contain up to 14 letters, numbers, spaces, and punctuation.

Available locations for personalization are:

Short Sleeve T-shirts - upper center back only
