Welcome to the MIHA's 36th Annual State Championship!

Welcome to the Michigan Interscholastic Horsemanship Association's State Championship! We would like to congratulate all of the teams and riders competing this year. Not only were you District champs, but also you were tops at your Regional competitions.

We have made some changes to our show schedule in this past couple of years, which we think will help make things run smoother. We have placed all Fitting & Showing on one day, so the poor horses won't have to freeze to death with multiple baths if the weather is bad. We placed the bareback classes opposite the saddle classes for the same seat, so there will be less outfit and tack changes. We have added a set crew to set courses, instead of having volunteers from the teams set the patterns.

Getting any horse show to run smoothly can be a challenge, so we ask for your patience if we hit a few bumps along the way. Please remember that this organization is run entirely by volunteers. We will try our best to be polite and respectful to you, and ask that you treat your show staff equally well. Please read the "Code of Conduct"; also, please read and follow the Midland County Fairground Rules.

You will find a **tentative** show schedule, we say tentative because it is subject to change at any moment. Our plan is to start the show at 8:00 a.m. and continue as scheduled through the classes listed for that day. However, certain factors may speed up or slow down the start times for some of the classes. We ask for your cooperation as we try to keep the show moving.

Your thoughts and concerns are important to us! Please take a few moments to fill out and turn in the show evaluation form found in the back of this program. Please do not hesitate to contact our Executive Board members to give us your feedback directly.

We look forward to a great competition! We wish all of our teams and riders good luck!

2010 Tentative Show Schedule

We say tentative because it is subject to change at any moment. Our plan is to start the show at 8:00 a.m. and continue through the classes listed for that day. However, certain factors may speed up or slow down the start times for some of the classes. For example, if the judging runs faster than expected, then the classes will start earlier than listed on the tentative show schedule.

Likewise, if the judging runs slower than expected, then the classes will start later than listed on the tentative show schedule. Other conditions may speed up, slow down, or alter our schedule as well. Please keep track of how fast the show is running and be flexible.

Spectator & Rider Code of Conduct

Parents, spectators, and coaches are not allowed in the arenas at any time during competition.

Parents, spectators, riders, and coaches shall not approach or communicate with the Judges at any time. Only the show staff shall be permitted to communicate with the Judges.

ONLY A COACH etc. (with proper ID) CAN DROP OR ADD CLASSES.

Only a coach can file a protest. MIHA 2010 Rule Book, pg 23 Article XIII, J. Protest must be made in writing and turned into the show office. Show Staff will communicate with the Judge(s) regarding the protest.

Parents, spectators, riders, and coaches shall not communicate with the Announcers while a class is running. You may think it is perfectly innocent to ask the announcer a question while a class is running. Unfortunately, it is very difficult for an announcer to focus on the class while people are asking questions. This is especially true during the "Timed Events" classes, when the announcer is responsible for tracking the times. Please do not interrupt the announcers with questions!

No coaching from the sidelines by parents or spectators.

Conduct of Riders, Parents, Guest Smoking, Alcohol, Foul Language, Unsportsman like conduct or Mistreatment of any animal will not be tolerated. MIHA 2010 Rule Book, Pg 21 Article XII, G, 1, 2, 3, K

Please be respectful of the show grounds. Please adhere to the Midland County Fairground rules found in this booklet. Help keep the grounds clean.

Be positive! Be respectful! Be patient and understanding!

Be helpful! We always need more volunteers! Remember, if you aren't part of the solution, then you are part of the problem.

MIHA State Championship – THANK YOU!

The MIHA is run be volunteers. The service the volunteers provide is “priceless” because the MIHA program would not run without our volunteers. If the MIHA had to pay all of the volunteers what their service is worth, it would not be able to afford the costs. We wish to thank each and every coach, gate keeper, announcer, ring master, set crew, and office worker who helped with our shows this year including District Meets, Regional and the State Championship.

The MIHA would like to thank all of those who took on the task of running our association on a daily basis. Those who volunteer and listen patiently to the parents, students and other volunteers with their many helpful suggestions and concerns, please accept our heart felt... Thank You!

History of the MIHA

Since you are at the M.I.H.A. State Championships, you probably know all about the M.I.H.A. as it exist today. But we thought you might like to read about how the M.I.H.A. got started. The early days of the MIHA are blurry because no official records exist. However, here is what the historian committee was able to uncover.

In 1968, a group of parents were involved in an equine census around the same time. After realizing that there were over 10,000 horses in Oakland County, Ed Chezy, Kelly Lawrence, and Carmi Edwards purposed a school sponsored horsemanship program to the Huron Valley School Board. The School Board recommended holding a horse show to determine to extent of interest in a horsemanship program.

In 1972, a horsemanship committee was formed and the first ever "Father's Day Show" was held. A portable arena and P.A. system were used to hold the show in front of the Milford High School. The show was so successful that it brought in 1200 spectators, 600 entries, and a profit of \$1,700. This success justified establishing an educational horsemanship program. Ed Cheyz, Kelly Lawrence, and Gerald Fuller presented a proposal to the Board of Education. At the same time, the Director of Community Schools, Carmi Edwards, and the horsemanship committee requested that the Board of Education designate 20 acres of land adjoining Milford High School to be used for the horsemanship program, the annual horse show, and the interscholastic equestrian team program. The horsemanship program passed.

The first equestrian team competition was held in the fall of 1973 at the Bogie Lake Country Club indoor facility between 5 schools, Hartland, Howell, Holly, Fenton, and Milford, with 30 to 40 riders competing. No one remembers the outcome. They only remember that it was so much fun, they just had to do it again. Meets were held again in the spring of 1974, fall of 1974, spring of 1975, and the fall of 1975.

In 1976 due to the expansion of the program statewide, the Huron Valley Interscholastic Horsemanship Association became the Michigan Interscholastic Horsemanship Association. On May 16, 1976 the first MIHA State Championship at Oak Ridge Stables in White Lake Township, with nearly 600 spectators. Winning the State Championship in 1976 was Romeo.

Also instrumental in those early days were Chuck Schroder and Gerald Fuller, the Milford and Hartland coaches. In 1975, Brighton, coached by Wanda Keech, and Pinckney, coached by Virginia Bennett joined the competition. Also joining in 1975 were teams from New Haven, Romeo, Almont, Oxford, Fowlerville, South Lyon, Novi, Northville, and Lakeland. Most of these schools are still competing toady.

Wanda Keech, served as State Chairman, and Virgina Bennett served as Vice-Chairman, during the MIHA's fledgling years. Other past State Chairmen are Bob Kibbie, Phil Tietort, and Larry Flanary.

By 1978, the MIHA had grown so much it was necessary to divide the schools into "A" division teams (with ten or more riders), or "B" divisions teams (with less than ten riders). At the MIHA State Championship was held in 1978 at Mason, South Lyon won the "A" division and Port Huron won the "B" division that year.

In 1983, Jean Husted became the State Secretary and served until 2004. Other long serving executive board members include Annette Thelen (Treasurer, Vice-Chair, and Jr. Steering Committee) and Bill Tingley (Vice President). By 1984, the MIHA had grown to six districts with 678 riders competing statewide. By 1987 the MIHA had 11 districts with 935 riders competing on 120 teams. In 1992, a "C" division was added for teams with four or less riders.

In 1994 the M.I.H.A. had 14 districts with 173 teams and 1118 riders.

In 2004, the M.I.H.A. started a pilot program for a Junior division for riders in sixth through eight grades. The Junior division became a formal part of the M.I.H.A. in 2006. What a great way to prepare our future high school riders.

By 2005, the M.I.H.A. had 2146 riders on 327 teams in 19 districts. The M.I.H.A. State Championships had out grown all available facilities, so it became necessary to add a Regional competition to decrease the size of the State show. The first Regional competitions were held in 2005. In 2006, a "D" Division was added for teams with 2 or less riders. The M.I.H.A. had 2090 riders on 332 team in 19 districts in 2006.

Registration for the 2009 season included 177 Middle School Teams in 18 Districts with 907 riders, and 342 High School Teams in 20 Districts with 1934 riders. Registration in 2010 includes 188 Middle School Teams with 907 riders, and 336 High School Teams with 1879 riders.
